MULTI-CLEAN

Fast Drying Industrial Cleaner & Degreaser

DESCRIPTION

Multi-Clean is the ideal maintenance & workshop cleaner and degreaser. It cleans and degreases surfaces, machine parts, chains, bearings etc.

Multi-Clean will swiftly remove oils, grease, silicones, tars, resin, and other contaminants from surfaces. It will dry quickly leaving no residue behind, and has a mild odour.

APPLICATIONS

For cleaning and degreasing of metal components, bearings, locks, wire ropes, chains, slides, hinges, axels, spindles, conveyor belts, brake systems etc.

Also especially suitable as a workshop metal cleaner, degreaser and suitable for use on most hard plastics.

FEATURES AND BENEFITS

- Cleans & Degreases surfaces, machine parts and chains
- Removes oil, grease, tar, resin, silicones, glue and other grime from surfaces
- Has a mild smell, dries quickly and leaves no residue behind
- Does not contain chlorinated solvents or chemical affecting the ozone layer

Multi-Clean comes fitted with the unique "Smart Straw" two way permanently attached spray nozzle. Spray Grease is available in standard 400ml aerosol sprays.

SMART STRAW – 2 Way Spray System
Permanently attached Straw
